

The Vikings are coming!

Invite the Vikings to your school for a day.

This fully-interactive experience brings to life the sights, smells and sounds of the Viking world. Children will have the chance to take part in crafts, hear forgotten stories from another age, and try on authentic clothes. They'll learn about, weapons, jewelry, Viking food, and why they didn't have horns on their helmets!

Our team of living history experts will bring the Vikings back to life in an exciting, educational event that embodies the demands of the Curriculum for Excellence.
